DOCUMENTARY

Available on loan from the CIA Library is a photocopy of a 13 page "Report of Trip to Riau Archipelago (via Singapore) and Palembang, Sumatra, September 25 to October 10, 1952" prepared for the R Pranjeto, Chief, Seafisheries Service, Indonesia by [redacted] industry. The report was requested by the Seafisheries Service to determine the fisheries operations and problems in the Riau Archipelago and Sumatra areas. It includes Singapore discussions on a suitable Indonesia-Singapore fish treaty; a description of the Riau Archipelago economy; a description of seafisheries resort 5 with headquarters at Palembang, Sumatra; and the author's recommendation of changes to alleviate the areas' problems.
